Call for the Expression of Interest to host 38th International Geological Congress, 2028: Deadline Extended

Dear Colleagues,

The current IGCC and IUGS are looking forward to receiving Expressions of Interest to host the 38th IGC in 2028 from IUGS Member countries. Please submit your responses, detailing the venue and proposed dates, to the IGCC Secretariat by 1 April 2023. The submission date was extended from 1 March 2023.

You are encouraged to consult with the past and current IGCC committees that have compiled the bid guideline document attached here. The proceedings of previous IGC events are valuable resources for countries interested in submitting a bid (<http://iugs.org/igc>).

Due to organizational reasons the final bid documents should be sent to the presidents of IGCC and IUGS not later than 31 March 2024. Earlier submissions will be highly appreciated!

We look forward to a high level of interest in hosting 38th IGC in 2028.

Yours,

Dhiraj Banerjee
