Call for the nomination of the next IUGS NC 2024-2028

Dear Council Members,

At each ordinary session, the Council elects a Nominating Committee consisting of six members from a broader list of nominees proposed by Council Members and the Nominating Committee (NC). Members of any previous Nominating Committee are precluded from being elected to future Nominating Committee.

To better pursue gender, geographical and disciplinary balance, the current NC encourages more nominations of female candidates. Please propose your candidates for the future Nominating Committee preferably to the same deadline as the nominations for the EC -31 December, 2023 to qiuming.cheng@iugs.org.

Sincerely yours,

A handwritten signature in blue ink that reads "Qiuming Cheng".
