

#IUGS_Episodes: Current Impact Factor 2.490

The Publications Committee informs on the good news related to the new Impact Factor for the IUGS journal Episodes, published by Clarivate Analytics 2021. The impact factor of Episodes has increased **from 1.393 to 2.490 for the year 2020**. The journal has moved **from Q4 to Q3**.

The PC congratulate the Editor and Managing Editor of Episodes for the big effort to promote the journal and to increase the quality of the papers published in Episodes to gain higher citation.
